### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Robert E. Bushnell (Reg. No. 27,774) on 28<sup>th</sup> of December 2004.

The application has been amended as follows:

#### IN THE CLAIM

As to claim 8, in line 1, substitute "(Currently Amended)" by --(Previously Presented)--.

2. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention in the claim 1 is deemed allowable over the prior art of record as the prior art fails to teach or suggest that the common port of said each switching device is connected to the second port of said given function-extending module, and said n-1 selection ports of said each switching device are connected to the first port of n-1 function-extending modules, respectively.

The claims 2, 3, 5 and 6 are dependent claims of the claim 1.

Applicant's claimed invention in the claim 7 is deemed allowable, respectively, over the prior art of record as the prior art fails to teach or suggest that connecting the common port of each switching device to a first port of a respective one of said function-extending modules; and connecting each selection port of said each switching device to a second port of a corresponding one of said function-extending modules other than said respective one of said function-extending modules.

The claims 8-11 are dependent claims of the claim 7.

Applicant's claimed invention in the claims 12 and 16 is deemed allowable, respectively, over the prior art of record as the prior art fails to teach or suggest that connecting the second port of the previously installed function-extending module to a first port of a newly installed function-extending

module via a common port of a first switching unit and a selection port of a second switching unit when only one previously installed function-extending module is present.

The claims 13 and 15 are dependent claims of the claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
